

"Your shipment is our commitment"

» ABOUT US

At **IN RAMIREZ** we are more than a company, we are a community of development and well-being, and we offer our commercial partners the best alternative to satisfy their land freight transportation needs.

We provide a complete international logistics solution through the consolidation of our leadership and based on continuous updating in each of our company levels.

Our coverage includes the entire region of Baja California, MX and California, USA.

We are a family-based company from Ensenada, B.C., Mexico. We are leaders in land freight transportation in the region since 1965. We provide services to local and foreign companies, and agricultural, fishing and manufacturing industries in the field of international logistics.
